Bethlehem Christian Families Olive Wood Carvings

Due to the bad situation and the interruption of the tourist trade, 150 families of the Holy Land are in danger of having to leave their homes in search of work. Our mission is to bring and sell the Olive Wood Carvings to the churches in the United States to help these Christian families. These Christians who make their livelihood through the selling of their hand carved Olive Wood religious items are depending on us to bring these carvings such as: nativity scenes, crucifixes, and several other religious items to you.

Please look over the carvings that will be available to you on the weekend of **August 9th/10th** and support this project that helps keep the Christians present in the Holy Land. You may visit our website, www.holylandcarvings.com, to learn more.
