Effective February 1, 2016 the Trinity Center office hours will change. Currently, the office opens at 9:00 AM Monday through Friday. However, there is a one-hour gap in the late afternoon when the office is closed. In order to close the gap, the office will now open at 10:00 AM on weekdays. The new schedule is as follows:

**Mon through Thurs: 10:00 AM to 8:00 PM**  
**Friday: 10:00 AM to 5:00 PM**  
**Saturday: 9:00 AM to 4:00 PM**  
**Sunday: 9:00 AM to 2:00 PM**

Please note that the SCRIP office hours will not change. **SCRIP will continue to be available at 9:00 AM Monday through Friday.** Please also note that priests are available at any time for the Last Rites in cases of emergency by calling the Trinity Center. If the office is closed, you will be given the number of an after-hours emergency phone number.

## CONTACT INFORMATION NEEDED

We would like to update our computer records with current telephone and e-mail addresses for our parishioners. We have the ability to add the phone number and e-mail address for individual family members, which will be helpful to the many households with parents and children involved in different ministries.

Would you take a few minutes to send us the preferred phone number and e-mail address for all people in your family who should be contacted for OLGC school, PREP, CYO or any of the dozens of parish ministries? Simply give us each person's name, phone number (identifying whether it is a cell phone, work or home land line) and e-mail address, and send the information to us in an e-mail via [\*\*OLGCOffice@mail.com\*\*](mailto:OLGCOffice@mail.com). We would appreciate having the information in hand by the end of February, and will gladly accept updates afterwards if there are any subsequent changes.

Rest assured that the parish records are not divulged to any outside organizations and that the phone numbers and e-mail addresses will only be made available to the authorized heads of parish ministries.

God Bless You,  
Fr. Suskey

**OLGC School Highlight**

News from the 5th Grade and Mrs. Larisa Sholette:

During the month of December, when most children at OLGC were anxiously awaiting a treat from their Advent Angel, the fifth grade students in room 6C were excitedly talking about and wanting to read about their next "Advent Stick". Each morning the children would view a portrait of a child and his or her bedroom from the book "Where Children Sleep" by James Mollison. The students viewed the photos and read about that child's life. The children photographed were from countries far away, living in situations very different from the students at OLGC. After viewing the photos, they would confer about what those children had in comparison to what they needed. The discussions often turned into a lesson on geography and even political structures around the world. The students would then choose an "Advent Stick" that noted a "luxury" such as socks, blankets, or even different ways to eat. It was obvious that the children in these photos did not have these simple "luxuries". That evening the OLGC children went home and counted their "luxury". Some students had over a hundred socks in their house! They then matched that number to coins (pennies, nickels, dimes or quarters) and brought that amount in to school the next day. This money was added to the "Advent Sticks Fund". By Christmas, the children had read about 19 different children, 10 different countries, counted over three thousand items, and gathered over two hundred dollars.

These wonderful and giving students opened their eyes and hearts to the true meaning of Christmas and dedicated themselves to this fundraiser. The sense of pride and accomplishment is evident when you talk about the "Advent Sticks" with any of the students in 6C. The class will be donating the money to The Drueding Center, a Life Care Community in Holy Redeemer Health System founded by the Sisters of the Holy Redeemer. The students were most interested in helping other children and the Drueding Center "...provides both transitional housing and comprehensive support services to women and their children; Drueding Center has become a tangible expression of Holy Redeemer Health System's commitment to families and an embodiment of its mission: to care, comfort, and heal." We cannot be more proud of the students in 6C, and we know that this spirit of giving and care will stay with them.

In other school news...

The OLGC School community is extremely grateful to all those who participated in the "Giving Tree". This year, over \$2800 was collected from the Giving Tree for tuition assistance. We can't thank you enough for your overwhelming generosity and your continual support of Catholic education!

### *A Tragic Commemoration*

On January 22, 1973, the Supreme Court, in the Roe vs. Wade decision, made its worst mistake in history. By declaring that children in the womb are not "persons," it opened the door to tens of millions of abortions. The website of the Alan Guttmacher Institute (the research arm of Planned Parenthood, which is the single largest source of abortions in America), states, "From 1973 through 2002, more than 42 million legal abortions occurred." It also points out that "24% of all pregnancies (excluding miscarriages) end in abortion," and that abortions after 21 weeks of pregnancy number somewhere around 18,000 per year in America. In 2002, there were 1.29 million abortions in our country. Indeed, as we mark another Roe vs. Wade commemoration, it is time for all of us to get involved in the efforts to end abortion.
