A Note from the Health and Wellness Ministry

The Health and Wellness Ministry wants to enhance wellness in the OLCG parish community.

What is wellness?

No matter what your current health status is, you can move toward a higher level of wellness.

- ◆ Wellness is a choice—a decision you make to move toward optimal health.
- ◆ Wellness is a way of life—a lifestyle you design to achieve your highest potential for well-being.
- ◆ Wellness is a process—a developing awareness that an end point does not exist, but that health and happiness are possible in each moment, here and now.
- ◆ Wellness is the integration of body, mind, and spirit—the appreciation that everything you do, think, feel, and believe has an impact on your state of health and the health of the world.
- ◆ Wellness is the loving acceptance of yourself.
- ◆ Wellness is an ongoing lifestyle, which requires taking responsibility and making healthy choices, promoting individual well-being through a balance in all aspects of life.

Reference

Travis JW. What is wellness? Available at: <http://www.wellpeople.com/WhatisWellness.asp>.

We know that many people are really busy and time is limited so many areas of wellness are often ignored. The 7 areas of wellness that have been identified are spiritual, physical, social, emotional, environmental wellness, vocational/occupational wellness and intellectual wellness.

The Health and Wellness Ministry wants to start with the improvement your spiritual well-being by encouraging “3 minutes of Prayer that can give you 24 hours of peace”. The Loyola press offers a free daily 3 minute retreat. Please visit the website at <http://www.loyolapress.com/about-3minute-retreats.htm>. 3-Minute Retreats invite you to take a short prayer break right at your computer or on your mobile device. Take time out of your busy day and spend some quiet time reflecting on a Scripture passage.
