## The Bishops Speak

In their statement “Catholics in Political Life” (June 2004), the United States bishops said the following:

“We need to continue to teach clearly and help other Catholic leaders to teach clearly on our unequivocal commitment to the legal protection of human life from the moment of conception until natural death. Our teaching on human life and dignity should be reflected in our parishes and our educational, health care and human service ministries.

“We need to do more to persuade all people that human life is precious and human dignity must be defended. This requires more effective dialogue and engagement with all public officials, especially Catholic public officials. We welcome conversation initiated by political leaders themselves.”

## **ON PROMOTING DEVOTION TO THE MOST PRECIOUS BLOOD OF OUR LORD Blessed Pope John XXIII**

“The month of July is devoted to honoring Christ’s Blood -- the price of our redemption, the pledge of salvation and life eternal -- may Christians meditate on it more fervently, may they savor its fruits more frequently in Sacramental Communion. Let their meditations on the boundless power of the Blood be bathed in the light of sound biblical teaching and the doctrine of the Fathers and Doctors of the Church ... Unlimited is the effectiveness of the God-Man’s Blood – just as unlimited as the love that impelled Him to pour it out for us, first at His circumcision eight days after birth, and more perfectly later on in His agony in the garden, in His scourging and crowning with thorns, in His climb to Calvary and crucifixion, and finally from out that great wide wound in His side which symbolizes the Divine Blood cascading down into all the Church’s Sacraments. Such surpassing love suggests, nay demands, that everyone reborn in the torrents of that Blood adore it with grateful love.

Let us, then, come back from that table like lions breathing fire, thus becoming terrifying to the devil, and remaining mindful of our Head and of the love He has shown for us --- This Blood, when worthily received, drives away demons and puts them at a distance from us, and even summons to our angels and the Lord of angels ... this Blood, poured out in abundance, has washed the whole world clean ... This is the price of the world; by it Christ purchased the Church ... This thought will check in us unruly passions. How long, in truth, shall we be attached to present things? How long shall we remain asleep? How long shall we not take thought for our own salvation? Let us remember what privileges God has bestowed on us, let us give thanks, let us glorify Him, not only by faith, but also by our very works.”
