Catholic Health Care Services Hospital Observation Status

Anyone who has recently been hospitalized may be familiar with the term "observation status." Observation Status means that even though you may be in the hospital for days and nights at a time, you have not been actually admitted to the hospital as an *inpatient.*

How does this affect me you may ask? Let's say the doctor at the hospital recommends a skilled nursing facility for short-term rehab following your discharge from the hospital. If you have been under observation status rather than inpatient status, you will not be eligible for skilled nursing coverage through your Medicare benefit.

Beginning March 8, 2017, hospitals are now required "to give patients both oral and written notice when they are under observation." The form, called the MOON (Medicare Outpatient Observation Notice), will confirm that you are not an inpatient but under an observation status. The hospital will ask either you or a family member to sign the form as proof you understand your status.

For questions about observation status, contact our Geriatric Care Manager, Joy Lombardi, at 215-357-1300 ext. 160.

Rite of Christian Initiation

Join us on **April 5th at 7:00pm** for the next R.C.I.A. session: *The Paschal Mystery: Meaning in Human Suffering.* For information, contact Deacon Mark Kuhn at (215) 357-1300 ext. 176 or deaconmarkkuhn@gmail.com .

Celebrate Divine Mercy Sunday

Please join us on Divine Mercy Sunday, April 23rd. We will have a para-liturgy service at 3:00 in the Upper Church led by Deacon Mark Kuhn.
