## Eucharistic Adoration

The Lenten season leads us to a spiritual reflection on Jesus in the Blessed Sacrament. The Catechism of the Catholic Church states the following on the Eucharist:

#1380 "It is highly fitting that Christ should have wanted to remain present to His church in this unique way. Since Christ was about to take His departure from His own in His visible form, He wanted to give us His sacramental presence; since He was about to offer Himself on the cross to save us, He wanted us to have the memorial of the love with which He loved us "to the end," even to the giving of His life. In His Eucharistic presence, He remains mysteriously in our midst as the One who loved us and gave himself up for us, and He remains under signs that express and communicate this love:

*"The church and the world have a great need for Eucharistic worship. Jesus awaits us in this sacrament of love. Let us not refuse the time to go and meet Him in adoration, in contemplation full of faith, and open to making amends for serious offenses and crimes of the world. Let our adoration never cease." Blessed John Paul II.*

*World Meeting of Families 2015*  
*Theme for March*  
*Creating the Future*

Marriage is meant to be fertile and welcome new life. Children shape the future, just as they themselves are shaped in their families. Without children, there can be no future. Children reared with love and guidance are the foundation for a loving future. Wounded children portend a wounded future. Families are the bedrock for all larger communities. Families are domestic churches, places where parents help children discover that God loves them and has a plan for each child's life.
